

Study Hall, Deva Road

SYLLABUS 2026-2027

Subject: Environmental Studies (EVS)

Aims and Objectives:

- a. To develop the disciplinary knowledge and understanding of how society functions through an interplay of historical, geographical, social, economic and political factors.
- b. Develop an understanding and appreciation for the methods of enquiry relevant to social science and deepen students' skill to engage with the key questions and issues confronting society.
- c. Foster ethical, human and constitutional values.

Class: I

Subject: EVS

Books are not prescribed for EVS. EVS is project based. Children make notes in their notebooks. Printed sheets are given out as required. For every theme an interdisciplinary approach is followed.
